- Foster children under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.

- 2. How do I know if my child(ren) qualify as homeless, migrant, or runaway?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not been told your children will get free meals, please e-mail Lori McCoy at lmccoy@colonialsd.org
- 3. Do I need to fill out an application for each child?** No. Use one Household Application for Free and Reduced Price Meals for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information.
- 4. My child's application was approved last year. Do I need to fill out a new application?** Yes. Your child's application is only good for last school year and for the first 30 operating days of this school year. You must complete a new application unless the school told you that your child is eligible for free or reduced price meals for the new school year. If you do not complete a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
- 5. I get Women, Infants, and Children (WIC). Can my children get free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please complete an application.
- 6. Will the information I give be checked?** Yes. We may also ask you to send written proof of the household income you report.
- 7. If I do not qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free or reduced price meals if the household income drops below the income limit.
- 8. What if I disagree with the school's decision about my application?** You may contact Lori McCoy at lmccoy@colonialsd.org.
- 9. May I apply if someone in my household is not a U.S. citizen?** Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.
- 10. What if my income is not always the same?** List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
- 11. What if some household members have no income to report?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
- 12. We are in the military. Do we report our income differently?** Your basic pay, cash bonuses, allowances for off-base housing, food, and clothing, must be reported as income. Exclude combat pay, Family Subsistence Supplemental Allowance, and privatized housing allowances.
- 13. My family needs more help. Are there other programs we might apply for?** To find out how to apply for SNAP or other assistance benefits, contact your local county assistance office or call the Department of Human Services at **1-800-692-7462**.
