

IHM Home and School Association has been hard at work over the summer to develop and plan for this school years Hot Lunch Program. In conjunction with the Colonial School District, our goal will be to supply and deliver Hot Lunch 5 days a week during scheduled school days.

### **Ordering**

This year ordering of Hot Lunch will take place online via My Students Progress. You should have received an email supplying you a family Username and Password. Please keep this in a safe place as this is what you will need to order lunches for your children. Further directions on this process will be provided as the ordering session opens. MSP will be sending the user name and passwords one additional time in the very near future.

### **Boxed Lunch Option**

Father Sullivan Hall and the kitchen are sometimes unavailable for lunch. Therefore, the children may need to eat lunch in their classrooms. In order to continue to supply a lunch option for that day a boxed lunch option will be available. This will be designated on the lunch calendar supplied during the ordering process.

### **Free and Reduced Lunches**

Some families within our school may be eligible to receive assistance with lunches. If you feel that you may meet the requirements specified on the letter attached, please fill out the Household application attached to this email and return this to:

**Colonial School District**

**Food Service Department**

**4118 Franklin Way**

**Lafayette Hill, PA 19444**

**Or email: [compass.state.pa.gov](mailto:compass.state.pa.gov).**

This process will remain confidential. We do realize that this application process may not be completed until the October lunch ordering has closed. If this is the case we will try our best to adjust the cost prior to payment. Otherwise, a credit will be issued for the following month.

### **Email issues**

**The My Students Progress (MSP) Service will be used for many forms of communication throughout the year. If you have not at this point received any emails from the MSP service, we will need to validate your address soon as possible. Please take the time to email the school office as requested.**
